Sub:-Establishment--Civil Supplies--Disbandment of staff--Retention of civil supplies staff till 30-6-55--Report submitted.

Board's Ref.No.F/17057/55-CS, d/22-4-55.
G.O.Ms.No.1234, dated 5-5-55.

...

In the G.O.cited sanction has been accorded to the retention of the following staff for civil supplies work in South Kanara district upto 31-5-55.

One Reception Dy.Tahsildar on Rs.150-200 p.m. plus a conveyance allowance of Rs.15/- p.m.

One Head Accountant on Rs.110/- p.m.

One lower division clerk on Rs.45-90/- p.m.

One peon under Reception Dy.Tahsildar on 18-25 p.m.

2. The Board in its reference cited has informed me that no further extention of time would be granted and that the Board of Revenue(L.R.) may be addressed for the retention of any staff required to attend to the residual items of work after 31-5-55. Only a small portion of rice stocks held at Pallikere, Nileshwar and Tricarpur were handed over to the Government of India representative in the II fortnight of April, 1955. A major portion of the stocks, viz. 801 tons held at Mangalore have not yet been handed over to the Government of India. The Board in its D.O.No.86015-A1/55 (CS) d/28-4-55 has requested the Joint Director(Food) Madras to take over the entire stocks in S.Kanara district as quickly as possible. But so far there have been no response from the R.D.(Food) in the matter. Consequent on the delay in taking over rice stocks by the Government of India representatives the target date for complete clearance of C.S.work has to be necessarily postponed to 30-6-55 instead of 31-5-55. The Board has also permitted me to get cleaned such of the stocks as are found to require cleaning at the time of handing over. The process of cleaning, replacement of gunnies and weighment would necessarily take about 2 weeks after the arrival of the representative of the Government of India. The retention of the posts of Reception Dy.Tahsildar and one peon is absolutely necessary till the complete disposal of stocks in this district for making necessary arrangements for clearing of stocks destacking and restacking of bags, weighment, changing of gunnies, employment of coolies etc. and also for signing the acknowledgments on behalf of Govennment when the stocks are handed over to the Government of India. He will have sufficient executive work till the entire stocks in this district are disposed of. I therefore recommend that the posts of one Reception Dy.Tahsildar and one peon may be ordered to be retained till 30-6-55 afternoon or till the complete clearance of stocks whichever is earlier. Sanction may also be accorded for the payment of conveyance allowance of Rs.15/- p.m. to the Reception Dy.Tahsildar.

3. The Head accountant(CS) is now attending to all correspondence and accounts relating to pending items of civil supplies work. The items of work mentioned in Annexure A have to be completed as quickly as possible. The reasons for the delay in the disposal of each item of work have been noted against each. Bills for the payment of services rendered by the stores can be finally paid for only after handing over of 1st sort rice held at Mangalore to the Government of India. Action has to be taken for recovering the value of shortages noticed in other centres. In order to see that there is no delay on the part of the Government of India representatives in acknowledging receipt of stocks already verified

P.T.O.

5/

verified by them the stock accounts have to be reconciled correctly. The shortages on account of shrinkage and cleaning will have to be worked out separately at the time of handing over the stocks. The reconciliation of the figures of stock has to be done as soon as weighment in each godown is completed and before another godown is taken up for verification. He has to assist the Reception Dy.Tahsildar in noting down the weighment particulars and to supervise weighment, when two sets of weighing machines and coolies are engaged for quick handing over of stocks. I therefore, recommend that the post of Head Accountant on Rs.110/- may be retained for a further period of one month till 30-6-55 or till the completion of the items of work mentioned in Annexure A. whichever is earlier.

4. The lower division clerk is now attending to the correspondence and Pdls. work mentioned in Annexure B. The number of fresh currents dealt with by him in the last 4 months are given below:-

Month.	No.of fresh currents received excluding reply currents.	No.of Pdl. sent.
January,55	142	47
February,55	79	30
March, 1955	100	39
April,55	110	39

Hence the retention of the post of lower division clerk beyond 31-5-55 is necessary for attending to the recurring items of work. There are 588 security deposit items pending refund on 31-3-55. Sanction may be accorded for the further retention of the post of lower division clerk for one month from 1-6-55 to 30-6-55. The Board of Revenue(L.R.) will be addressed for the retention of the post of lower division clerk beyond 30-6-55, soon after the handing over of stocks to Government of India is completed.

5. The expenditure on the staff mentioned above may be ordered to be debited to '85.A.Capital outlay on schemes of State trading a.grain supply schemes'--J.Establishment and other charges.
